I CAN'T IMAGINE THAT!
WHEN I WORE GLASSES, I WASN'T ATHLETIC AND I WASN'T GOOD AT SCHOOL EITHER...
THAT ISN'T TRUE.
I BOTHERED YOU A LOT.

ACA
Kamitani

I got Madoka & Homura from the action director Kamitani Tomohiro-san!!!
Thank you very much! They're cuute!
Uu... I'm glad I said I love loved HomuMado...!
And I'm glad I was good and didn't ask for spoilers...! lol
It had color, but the color version is my treasure! I won't show you! lol
I got in a while ago, but I didn't really have the time to put it in,
so it became late...
I'm sorry I put it on an ero book. (Sweat
You have taken care of me for a while, and...it was a real surprise.
I'm really happy.
It seems you became really busy after Madoka ended, but please make sure you don't make yourself sick.
I'll be rooting for you from now too!

Something Like an Afterword

So, this is the afterword.
Hi, I'm Tamatsu. Nice to meet you.
Thank you for reading up to this point!

I always think uniting yuri and ero is pretty hard.
That's why I put futanari in when I did Saki...but did I do relatively well this time?
Though I'm still far away. I'll work harder next time.

It's official that Homura love loves Madoka, but Madoka actually love loves Homura too, you know~?
is what I wanted to draw, so I drew it.
Ah, I drew it!
And I was satisfied!

I wanted to give more of a taste of HomuKyou in the last part,
but it didn't become HomuKyou because of God Madoka's interference. That was too bad.
